

Registered Psychologist

YEG Psychology is a growing practice of independent psychologists located on the south side of Edmonton, Alberta. In Spring 2022, the practice will be expanding into a beautiful new space located in the desirable Keswick area. Our psychologists have extensive experience in supervision and evidence-based treatment, utilizing a variety of therapeutic modalities.

What we offer:

- Professionally designed offices with large windows
- Secured contracts with various referral sources
- Opportunities for psychoeducational assessments
- Option to provide supervision to provisional psychologists
- Large medical practice and reputable daycare onsite
- Practice management software allowing the booking of appointments, reminders, remote note-taking, and billing with ease
- Privacy-compliant platform to meet with clients virtually
- Consistent referral stream including individuals and couples, with potential for families and groups
- Peer consultation with supportive colleagues
- Competitive compensation system
- Free parking

Qualifications:

- Master's degree or higher in a psychology-related field
- Active registration with the College of Alberta Psychologists
- Maintenance of professional liability insurance
- Formal training (or willingness to receive training) in couples counselling
- Able to work independently but also collaboratively within a team

Interested candidates are encouraged to review our website at www.yeg-psychology.com and submit applications through email to info@yeg-psychology.com.
